(Call and Answer)

Hey CompSci, where are you coming  
from?

We're comin' straight outta CompSci! Word to  
your motherboard!

---

(Call and Answer)

QUEEN'S WHAT?  
QUEEN'S COMPUTING!

COMPUTING WHAT?  
COMPUTING CODES!

CODES WHAT?  
CODES QUEEN'S!  
(Call and Answer)

Yes yes, yes we do, we got spirit, how  
'bout you?

Yes, yes, yes we do, we got spirit, how  
'bout you?

(Everyone starts chanting)

WE GOT MORE!

(Call and Answer)

Hey CompSci! Fix my printer!  
WOO! WOO! WOO!

---

PING! (Randomly yell until someone  
yells "System Error")

---

(Call and Repeat)

I don't know but I've been told, All I  
know is how to code!

Sound off 0 - 0

Sound off 0 - 1

Sound off 1 - 0

Sound off 1 - 1

I don't but I've been told, We've got  
spirit overflow! Sound off...  
(Call and Answer)

Hey CompSci! Boot your GUI!  
What?!

Hey CompSci! Boot your GUI!  
Okay... Boot! Boot your GUI! Boot,  
boot! CompSci GUI!

Hey [group/person], how do you feel? [We/I]  
feel soooooo good! oh, [we/I] feel so good,  
OH!

(Call and Answer)

Hey CompSci! How much do we love  
[thing/person/people]?

SO MUCH!

(All BUFFER! Together) BUFFER! BUFFER!

---

Let's get a little bit rowdy! R - O - W - D - Y

---

Hey we're CompSci, We can't be beat,  
We're your control, alt, and delete!  
Although you try, Although you strive,  
You're obsolete like floppy drives!  
You're so jealous, oh we can see,  
(All together)

'Cause programmers do it recursively!

(All Together)

(To the tune of Soulja Boy)

CompSci frosh up in this node, Watch me crack that java code, Watch me hack, watch me troll,  
Overclock the OOOOOO! CPU! Crack that java code, CPU! Crack that java code!

(Call and Repeat)

Oh integer, you are an ace. For who needs a, decimal place!

(Repeat above)

Oh floating point, you are the one. We all love your, sweet precision!

(Repeat above)

Oh boolean, you are for me. Because of your, simplicity!

(Repeat above)

Oh character, you are so HOT. For without you, strings we'd have not!

(Repeat above)
