

Orientation Bursary Application 2020

The Orientation Bursary is intended for students in the faculty of Computer Science requiring financial assistance for Orientation.

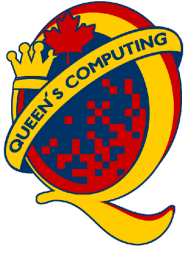

Applications will only be considered if all the mandatory information is filled out. Please note the bursary committee reserves the right to decline bursary support if an application is incomplete or inappropriately completed. Bursaries will only be awarded for financial assistance for Computing Orientation Period 2020. No bursary will be awarded for any other event.

The deadline to submit this bursary application is Friday August 28th, 2020 at 11:59pm. All bursary applications must be emailed to the Finance Coordinator, Nathaniel Gumapac, at treasurer_tc@compsa.queensu.ca.

All information will be treated with the strictest confidentiality, and if you have any questions regarding the bursary or application please feel free to email the Finance Coordinator, Nathaniel Gumapac, at treasurer_tc@compsa.queensu.ca.

You will be contacted whether or not you receive a bursary once a decision has been made.

Please continue to page 2 and 3 to complete event, financial, and personal information. This information is required and must be filled in appropriately and correctly or your application will be considered incomplete without it.
