

COMPSA Bursary Application 2016/2017

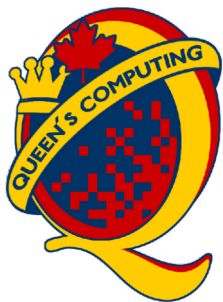

The COMPSA Bursary is intended for students in the faculty of Computer Science requiring financial assistance for COMPSA events.

In order to be considered for a bursary, please complete in full the following application and submit it to **equity@compsa.queensu.ca**. Applications will only be considered if all mandatory information is filled out. Please note the Bursary Committee reserves the right to decline bursary support if an application is incomplete or inappropriately completed. Bursaries will only be awarded for upcoming events; applications will not be accepted for an event that has already passed. Bursary deadlines for major COMPSA events will be posted on the event page or COMPSA website.

All information will be treated with the strictest confidentiality, and if you have any questions regarding the bursary or application please feel free to email the Equity and Diversity Commissioner, Kat Pinto, at **equity@compsa.queensu.ca**.

You will be contacted whether or not you receive a bursary once a decision has been made.

Please continue to Page 2 to complete the event and personal information. This information is required and must be filled in appropriately and correctly. Without it, your application will be considered incomplete.
